## River of Grace

In Concert

Sunday September 6, 2:30 PM

Pastor Easley and Don Smith, from the Harmenaires gospel group, have sung a total over 80 years. Terry Smith and Neal Hartranft, from the gospel group Witness, have more than eight decades combined in the Christian music field.

The newly formed group is called River of Grace and has the same purpose as when they all started singing so many years ago – to bring God's wondrous plan of salvation to the lost, encourage believers in their daily walk, and to challenge folks to make a renewed determination to serve the Lord in a world full of uncertainty and turmoil.

## Mended Heart

In Concert Labor Day  
Monday September 7, at 2:30 PM

**"Our goal as a ministry is the same as it has always been . To bring lost souls to Jesus Christ and to encourage Christians in their daily walk with Jesus Christ through life experiences they share through testimony and song.  
We hope to see you soon."**

As we enter our 107<sup>th</sup> year here on the hill top, we give God all the glory and praise for the past 106 years of services on these holy grounds. As we look forward, we will continue to rely on God's blessings and direction for the years to come.

June through Labor Day:

We want to invite you to come and visit us on top of the hill for uplifting services. Come to one, or come to all. You are Welcome! Calvary Evangelical's activities are held at the Lewistown Valley Tabernacle. Starting in 1913, outdoor services were first held here in a tent. The present day tabernacle was built at some time prior to 1925. Many wonderful messages have been heard within these walls each year. Summer services are still held each year in the tabernacle during the months of July and August. They have traditionally culminated with a special series of evangelistic services during the week prior to Labor Day being held by the Lewistown Valley Tabernacle group. Special services on Labor Day weekend close out the summer series and are usually highlighted with a large crowd and music on Monday. Also included are special musical groups at different times during this two month period.
